Cardinal Architectural will provide you with this limited material warranty subject to the limitations, exclusions and conditions set forth below:

Limited Lifetime Warranty: the louvers are warranted for lifetime from the date of the completed installation against a defect that would affect their intended performance as an effective shading system.

The pins, brackets, flashing, rods, springs and other aluminum components are warranted for ten (10) years from the completed installation, subject to opening and closing the system twice a month.

The motor is warranted for three (3) years subject to the wire connections being protected and to the electric controls being installed and remaining in a waterproof box.

LIMITATIONS:

You must keep the louver channels clean from dirt, leaves, small rocks, branches, etc. or the warranty could be void.

Cardinal Architectural shall have the right to inspect each claim. Therefore avoid any repairs prior to Cardinal Architectural inspection. Any repairs or alterations to the weatherguard motorized pergola prior to the inspection may void the warranty.
